## Lenti in Sunset Red

R764.00

*Lenti* comes from the word *Alto cumulus lenticularis*, which is the scientific word for Lenticular clouds. This design is based on the structure and beauty of these cloud shapes and how they look in the sunset sky.

## Lucent in Evening Light

R799.00

*Lucent* are night clouds, also known as Noctilucent clouds. These clouds are rare to see anywhere other than the equator and are made of ice crystals, only visible in a deep twilight. *Lucent* has been the most precious yet experimental design with only limited amount of stock due to exclusivity.
